Introduction

This booklet contains tax tables and general instructions for computing, withholding, and remitting Alabama withholding tax. Because many monthly, quarterly and annual withholding tax returns are now being filed electronically, coupons are no longer automatically mailed to all withholding agents and employers. Coupons are no longer produced for those required to file electronically or for those who have voluntarily elected to file electronically. Employers who register for a withholding tax account number using our on-line application have an option to receive coupons. Those electing to file electronically will be sent instructions. Accountants and tax filing services may register as bulk filers through the Department's Web site.

Employers or other withholding agents can register with the Department by completing a withholding tax application. The application (Combined Registration/Application) can be completed and submitted on-line. The on-line withholding tax application can also be downloaded, completed and mailed to the address provided on the application. Our Web address is www.revenue.alabama.gov.

State unemployment tax and local occupational taxes are not administered by the Department of Revenue. You can obtain information concerning unemployment tax by writing to the Department of Industrial Relations, Unemployment Compensation Agency, Montgomery, AL 36131, or call 334-242-8830. To obtain information concerning local occupational tax, you must contact the city or county which is administering the tax.

The Forms A-4, A-4E, Form 10, A-1, A-6, and A-3 provided in this booklet may be reproduced. These forms are also provided on our Web site. However, copies of Forms A-1, A-3, and A-6 should only be used on a temporary basis. You should visit our Web site for on-line filing information or contact the Withholding Tax Section to request preprinted coupons. All other forms can be ordered by calling the Alabama Department of Revenue Supply Room at 334-242-9681 or write to the Alabama Department of Revenue, Income Tax Forms, P.O. Box 327470, Montgomery, AL 36132-7470. Forms A-4 and A-4E may be ordered in bulk quantities from the Supply Room.

If you have questions concerning Alabama withholding tax which have not been addressed in this booklet, you can write to the Alabama Department of Revenue, Individual & Corporate Tax Division, Withholding Tax Section, P.O. Box 327480, Montgomery, AL 36132-7480 or call 334-242-1300. Our fax number is 334-242-0112 and our Web address is www.revenue.alabama.gov.

Wages Subject To Alabama Withholding Tax

For Alabama withholding tax purposes, the terms "employer," "employee," and "wages" have the same meaning as defined in the Internal Revenue Code except when the Alabama law is in conflict with federal law. Wages for Alabama withholding tax purposes shall include those wages exempt from federal withholding if the wages represent taxable income under the Alabama income tax law and there is no provision under the Alabama law for a deduction corresponding to the allowable federal deduction.

Wages means all remuneration received for services performed by an employee for an employer. This includes cash or the cash value of all remuneration, including benefits paid in mediums other than cash. If the Internal Revenue Service has determined that a particular remuneration or benefit is wages for federal purposes, this remuneration is considered wages for Alabama purposes unless this item is specifically exempt by Alabama law.

The Internal Revenue Service exempts certain classes of employment from withholding tax. Classes of employment exempt for federal purposes are also exempt for Alabama purposes. The chief classes of exempt employment are domestic services in private homes, merchant seamen, duly ordained ministers performing duties of their ministry, and agricultural employees. (Alabama does not recognize the federal requirement to withhold income tax on cash payments to agricultural employees where the payments are considered wages for social security purposes and FICA withholding is required.)

Public Law 91-569 provides an exemption from Alabama withholding tax for employees of water and air carriers if the employee is not a resident of Alabama or if he did not earn over 50% of his income in Alabama the previous year.

Public Law 101-322 provides that employees of an interstate railroad and employees of an interstate motor carrier who work in two or more states must be taxed on their state of residency.

Exclusions From Withholding Tax

The following federal code sections are recognized by the State of Alabama and therefore are excluded from an employee's gross income. Amounts excluded under these sections should not be included in an employee's wages and are not subject to withholding tax.

Section:

1. 125 – Cafeteria Plans
2. 219 – Retirement Savings
3. 401(K) – Cash or Deferred Arrangement
4. 401(K) Simple – Savings Incentive Match Plan (CODA)
5. 403(b) – Qualified Annuity Plan (Teacher's Retirement)
6. 408(k) – Simplified Employee Pension
7. 408(k)6 – Simplified Employee Pension - Salary Reduction Arrangement
8. 408(p) Simple – Savings Incentive Match Plan (IRA)
9. 457 – Deferred Compensation Plans of State and Local Governments and Tax Exempt Organizations.

Up to \$25,000 of an employee's compensation can be exempt from Alabama income tax if the payments are received as severance pay, unemployment compensation, termination pay or pay from a supplemental income plan received as a result of administrative downsizing.

Employers must obtain approval from the Department of Revenue before exempting severance payments from Alabama withholding tax. For more information about the severance pay exemption visit our Web site at www.revenue.alabama.gov.

Employees who incurred no Alabama income tax liability the previous year and anticipate no Alabama income tax liability for the current year may claim an exemption from Alabama withholding tax. Employees entitled to this exemption should check the "exempt" space provided on the Alabama Employee's Withholding Exemption Certificate (Form A-4) and file the certificate with their employer.

"No tax liability last year" means that the employee filed an Alabama income tax return for the previous year and the tax return indicated no tax liability. Therefore, if an employee had Alabama income tax withheld or paid Alabama estimated income tax last year, all of this tax must have been refunded to the employee. If any portion of the tax paid last year was not refunded, the employee will not qualify for this exemption.

Employers Required To Withhold

An employer who is a resident of Alabama is required to withhold tax from the wages of his employees who are residents of Alabama, regardless of whether the wages are earned in Alabama or outside the state; except when the employer is withholding tax for the state in which the employee is working, he is not required to withhold tax for Alabama. (Example: If an employer and an employee are both residents of Alabama and the employee is working in Georgia, the employer would not be required to withhold Alabama income tax because he is withholding Georgia income

tax. If the same employee were working in Florida, the employer would be required to withhold Alabama income tax because both the employer and employee are residents of Alabama and Florida has no individual income tax.)

An employer who is a resident of Alabama is required to withhold tax from the wages of his employees who are not residents of Alabama only to the extent that the wages are earned in Alabama. In other words, a nonresident employee of an Alabama employer should have Alabama income tax withheld only on wages earned in Alabama.

An employer who is not a resident of Alabama is required to withhold tax from the wages of his employees to the extent that such wages are earned in Alabama, whether the employee is a resident or a nonresident of Alabama. A nonresident employer is not required to withhold Alabama income tax on wages paid for services performed outside of Alabama, whether such wages are paid to a resident or a nonresident of Alabama.

If an employer/employee relationship exists for federal purposes, this relationship also exists for Alabama purposes. An employee cannot claim to be an independent contractor for Alabama purposes and therefore exempt from Alabama withholding tax unless he has met the federal guidelines for being an independent contractor. For questions concerning employee/independent contractor status, you should contact the Internal Revenue Service for help in determining what type relationship exists.

Computing Alabama Withholding Tax

There are two methods for computing Alabama withholding tax. Tax can be computed using the tables provided in this booklet or tax can be computed using the withholding tax formula which is also provided in this booklet. The tables include tax amounts for weekly, bi-weekly, semi-monthly, monthly, and quarterly payroll periods. The formula should be used by employers who are computing withholding tax using a computer program. The formula must also be used if the dependents claimed by an employee exceed the number of dependents provided in the tables or if an employee's salary exceeds the amounts provided in the tables. The tax tables are computed to the nearest dollar. When computing withholding tax using the formula, the tax amount may be rounded to the nearest dollar.

Employers may withhold state income tax from bonuses and supplemental wage payments at the rate of 5%.

In order to properly compute withholding tax, the employer must obtain a completed exemption certificate from each employee. The state exemption certificate is Form A-4. The federal Form W-4 is not an acceptable substitute. If an employee fails to furnish the employer with a Form A-4, the employer should withhold using zero exemptions. If an employee claims more exemptions or dependants than an employer believes he is entitled to claim, a copy of the Form A-4 and a letter of explanation should be mailed to the Withholding Tax Section.

Employers should retain employee exemption certificates for at least three years. If there is a change in the number of exemptions or dependents to which an employee is entitled to claim, a new exemption certificate should be filed by the employee and retained by the employer. Unless the number of dependents or exemptions claimed by the employee changes, a new exemption certificate is not required to be filed.

NOTE: An employee whose marital status is single is entitled to claim either "0" (not claiming credit for a personal exemption) or "S" (claiming credit for a single personal exemption). An employee whose marital status is married is entitled to claim "0," "S," or "M." However, if a married employee claims his own personal exemption, "S," then the spouse can only claim their own personal exemption or claim "0." If a married employee claims "M," he is claiming both personal exemptions and his spouse must claim "0." A single employee who qualifies as "head of family" may claim the \$3,000 head of family exemption by claiming "H" on line two.

Full time students expecting to earn a total yearly income of less than \$1,800.00 can complete Form A-4E. Withholding tax is not required from employees who qualify to complete Form A-4E. Both Form A-4 and Form A-4E are included in this booklet and may be reproduced.

Withholding Tax Returns

All employers or other withholding agents who are registered with the Department must file a quarterly withholding tax return (Form A-1). The return and tax withheld are due by the last day of the month following the end of the quarter. For example, the quarterly return for the quarter ended March 31 is due by April 30. This return must be filed even if no tax has been withheld. Withholding agents who no longer withhold tax may be relieved of the responsibility of filing a quarterly return by placing their account on inactive status. A withholding tax account can be made inactive by placing an "x" on line number one of the quarterly or monthly return or by calling or writing the Withholding Tax Section.

Monthly withholding returns are required of all withholding agents who have withheld more than \$1,000.00

in either the first or second month of the quarter. Monthly returns and tax withheld are due by the 15th of the month following the month in which the tax was withheld. (Example: If an employer withholds \$1,050.00 in January and \$800.00 in February, they would be required to file a return and remit the tax withheld for January by February 15. Because less than \$1,000.00 was withheld during February, this tax would not be due until the due date for the quarterly return, April 30.) Under no circumstances should tax for any period greater than one calendar month be reported on Form A-6.

Your payment of Alabama withholding tax should not include other taxes. Your payment should only include Alabama withholding tax. If you are filing by check, the check must be submitted with your preprinted coupon to insure that your account is properly credited.

Amended Returns

To amend Form A-1 or Form A-6, submit a paper return marked "amended" with the correct amounts listed. Any overpayment may be taken as a credit in a subsequent period. If the amended return indicates additional tax due, remit the additional amount with the amended Form A-1 or Form A-6.

To amend Form A-3 with a tax change, file a corrected copy of Form A-3 marked "amended" with a copy of the Forms W2-C. If an overpayment of \$100.00 or more is indicated, a refund may be requested. If the overpayment is less than \$100.00, a credit will be issued. If additional tax is due, the payment should be remitted with Forms A-3 and W2-C. If there is no tax change, submit only copies of Forms W2-C. No Form A-3 is required.

To amend an electronically filed return, you must file a paper return as described above.

Mail amended returns to: Alabama Department of Revenue, Individual & Corporate Tax Division, P.O. Box 327480, Montgomery, AL 36132-7480.

NOTE: Form IT: RE-2WH (Application For Refund of Income Tax Withholding) must be completed and submitted in order to receive a refund. This form will automatically be mailed to you once your overpayment has been verified by the Department of Revenue. No credit or refund will be allowed unless a credit is claimed or an IT: RE-2WH is submitted within three years from the date the return was filed, or two years from the date of payment of the tax, whichever is later.

Employee Wage and Tax Statements

Each year, on or before the last day of January, every employer who has paid Alabama wages of \$1,500.00 or more to any employee during the preceding year or any employer who has withheld Alabama income tax from the wages of any employee during the preceding year must furnish such employee two copies of a wage and tax statement (Form W-2) showing wages paid and state and federal income tax withheld. One copy is for the employee to file with his Alabama income tax return and one is the employee's file copy. The employer must also produce a third copy, or acceptable substitute, of such statement to be filed with the Department. The copy to be filed with the Department must be submitted with the employer's preprinted Form A-3, Annual Reconciliation of Alabama Income Tax Withheld. **NOTE:** Forms A-3 submitted without Forms W-2 or submitted separately from Forms W-2 cannot be processed. Forms A-3 received without Forms W-2 will be returned to the employer or withholding tax agent. Employee wage and tax statements and Form A-3 may also be submitted through the Department's Web site. The procedures and specifications for electronic filing of wage and tax information, Form 10, is also on our Web site. All employers and withholding agents submitting 250 or more Forms W-2 and/or information returns, if Alabama income tax has been withheld, must submit this information and Form A-3 electronically through the Department's Web site. Withholding agents submitting less than 250 wage and tax statements and/or information returns may voluntarily submit this information electronically.

Annual Reconciliation

On or before the last day of February each year, every employer who has withheld tax during the preceding year must file Form A-3 with the Department together with a copy of each wage and tax statement (Form W-2) issued for that year. Employers submitting 250 or more statements must submit this information through the Department's Web site. The employer is required to reconcile on Form A-3 the total Alabama income tax as shown on Forms W-2 with the total tax remitted for the year. Forms W-2 must include subtotals and totals of the amount of Alabama income tax withheld or they must be submitted with an adding machine tape of the Alabama income tax withheld. If an overpayment is indicated, a refund or credit to be used on future reports may be requested. If the overpayment is less than \$100.00, a credit will be issued. If the overpayment is \$100.00 or more, a credit or refund may be requested. If additional tax is due, remittance of such amount should accompany Form A-3. If penalties and interest are due on the additional payment, the employer will be billed.

If income tax has been voluntarily withheld from non-wage payments and reported on Form 1099, such

returns must also be submitted with Form A-3.

Employers are encouraged to file their employee wage and tax information electronically through the Department's Web site. However, employers not required to file electronically may choose to submit a computer listing containing wage and tax information. The specifications and instructions for filing wage and tax information electronically through the Internet are available on our Web site. Computer listings must contain employer's name, filing year, Alabama withholding tax account number, employer's federal identification number, employee's name, social security number, wages, and federal and state income tax withheld. A completed Form A-3 for each withholding tax account must be submitted with your wage and tax information.

Third Party Reporting Requirements

Third party payers are generally insurance companies who have made a wage payment to an employee on behalf of the employer. The third party payer remits the tax withheld under the third party payer's withholding tax account number.

Third party payers who have remitted tax on behalf of an employer must submit a listing to the Department of the appropriate withholding tax accounts to be credited for the withholding tax payments. After receiving this list, withholding tax will be transferred from the payer's withholding tax account to the employer's withholding tax account. The listing submitted by the third party payer must include the following information for each employer's withholding tax account to be credited:

1. Name of Employer
2. Employer's Federal Identification Number
3. Employer's Alabama Withholding Tax Account Number
4. Amount to be Transferred
5. Year to which Payment should be Transferred

This information must be filed by the last day of February of the year following the calendar year in which the tax was withheld.

If a third party payer has paid wages and withheld tax on behalf of an employer and has notified the Withholding Tax Section as previously described, the employer must report such wages and tax withheld on Forms W-2 issued by the employer.

Filing Methods

If you make a single withholding tax payment of \$750 or more, you are required to electronically file both your payment and your withholding tax return. The Department encourages taxpayers who are not currently required to file electronically (those remitting less than

\$750) to also file their withholding tax returns and payments electronically. To learn more about electronic filing, visit our Web site at www.revenue.alabama.gov/withholding/efiling.html and follow the instructions. If you are unable to file via the Internet, you may use the Department's telephone filing system by calling 800-828-1727. You will need your withholding tax Sign on ID and Access Code.

If you are not filing electronically you must use the forms provided or substitute forms that the Department has approved. Penalties are provided for using forms that have not been approved by the Department.

Penalties

The penalty for late filing of a withholding tax return is 10% of the tax due on such return or \$50.00, whichever is greater. The penalty for late payment of withholding tax is 10% of the tax due. In cases where both return and payment are delinquent, the two penalties should be added and shown as one figure. Interest is computed at the rate applicable to federal tax deficiencies and is subject to change each quarter. Contact the Withholding Tax Section for the current interest rate. Report and payment of tax must be postmarked on or before the due date to avoid delinquent penalty and interest charges. If any due date falls on a Saturday, Sunday, or legal holiday, the payment and return are due by the next business day. A penalty of \$50 is provided for filing multiple payments and/or returns for a given month and for payments received electronically without an electronic return. There is also a penalty of \$50.00 for each employee wage and tax statement (Form W-2) or information return (Form 1099) not timely submitted to the Alabama Department of Revenue.

Information Returns

Information returns must be filed by every resident individual, corporation, partnership, association, or agent making payments of \$1,500.00 or more in any calendar

year to any taxpayer, resident, or nonresident, if such payment represents taxable income to the state of Alabama. This information can be reported on Form 99 which is provided by the Department of Revenue. Payers may also submit a copy of the federal information return (Form 1099). Prior approval to use copies of the federal forms is not required. Information returns must be provided to the payee by January 31 of the year following the year of the payment. Copies for the Revenue Department must be submitted by March 15 of the year following the year of the payment. Mail information returns to: Alabama Department of Revenue, Individual & Corporate Tax Division, P.O. Box 327489, Montgomery, AL 36132-7489.

In lieu of submitting copies of information returns to the Department, payers may participate in the Combined Federal/State Reporting Program. Under this program payers register with the Internal Revenue Service and file their information returns with the Internal Revenue Service. The Internal Revenue Service then provides this information to Alabama. Prior approval from the Department is not required. Payers who have elected to voluntarily withhold income tax from non-wage payments cannot participate in this program. Copies of the information returns which indicate tax was withheld must be submitted with Form A-3. (See Annual Reconciliation instructions.) Information returns can be filed electronically through the Department's Web site only if Alabama income tax was withheld. See Form 10 for specifications.

Declarations of Estimated Tax

A declaration of estimated tax (Form 40-ES) is required of every individual subject to Alabama income tax if such individual can reasonably be expected, during the taxable year, to have income from sources other than wages, in the case of a single person or married person filing a separate return of \$1,500.00 or more; and, in the case of a married person filing a joint return of \$3,000.00 or more. For more information regarding Declarations of Estimated Tax, call 334-242-1099.

GENERAL INSTRUCTIONS

FIRST RETURN – New employers and withholding agents must apply for a withholding tax account number using Form COM:101. If Form COM:101 has not been filed prior to the due date of the first return, it must accompany the first return when filed.

ROUTINE FILING – Upon assignment of a withholding tax account number and annually thereafter, each employer or withholding agent is furnished a booklet containing personalized coupons which **must** be used in filing withholding tax returns. Such forms are pre-inscribed with the employer or withholding agent's name, address, withholding tax account number, period covered, and due date. Non-personalized forms may be used **only** when personalized coupons cannot be obtained in time to file a return by the due date.

FINAL RETURN – When an employer or withholding agent ceases to withhold Alabama income tax, an "X" should be placed in the space provided in Line 1 of the return.

INSTRUCTIONS FOR PREPARING FORM A-6

LINE 1 – If you have discontinued withholding Alabama income tax, place an "X" in the blank on this line to indicate a final return.

LINE 2 – Enter number of employees from whose wages Alabama income tax has been withheld during this reporting period.

LINE 3 – Enter total Alabama income tax withheld during the period covered by return.

LINE 4 – Disregard Line 4 on Form A-6.

LINE 5 – Use this line to claim credit for overpayment of Alabama withholding tax for prior quarterly or monthly periods. If credit memorandum has not been issued by Alabama Department of Revenue, return on which credit is claimed must be accompanied by a statement providing the following information: (a) Monthly or quarterly period(s) overpaid. (If more than one monthly or quarterly period is overpaid, state amount of overpayment applicable to each) and, (b) Brief explanation of why overpayment occurred.

LINE 6 – Penalty for late filing of a withholding tax return is 10% of the tax due on such return (Line 3 minus Line 4 on Form A-1; Line 3 on Form A-6), or \$50.00 whichever is greater. Penalty for late payment of withholding tax is 10% of the tax due. In cases where both return and payment are delinquent, the two penalties should be added and shown as one figure on Line 6. Report and payment of tax must be postmarked or received by the Withholding Tax Section on or before the due date to avoid delinquent penalty and interest charges.

LINE 7 – Interest is computed at the rate applicable to federal tax deficiencies and is subject to change each quarter. Call the Withholding Tax Section for the current interest rate.

LINE 8 – Add Lines 3, 6, and 7; subtract Line 5; show balance on Line 8.

LINE 9 – Indicate on Line 9 the amount remitted with the return. If amount remitted is different from amount on Line 8, a detailed explanation of the difference should accompany the return. Make check or money order for amount on Line 9 payable to Alabama Department of Revenue. Mail return and check to Alabama Individual and Corporate Tax Division, Withholding Tax Section, P.O. Box 327480, Montgomery, AL 36132-7480 (phone 334-242-1300).

INSTRUCTIONS FOR PREPARING FORM A-3

STEP 1 – Enter the amounts of Alabama income tax withheld in the appropriate spaces in Column 1 on the right side of Form A-3. You must list monthly amounts if (a) you withheld \$1000 or more during any single month of the year, or (b) you filed on a monthly basis during the year. Otherwise, you may list only quarterly amounts.

STEP 2 – Enter in the appropriate spaces in Column 2 the amounts of Alabama withholding tax actually remitted. Include in these amounts credits claimed on Line 5 of Form A-1 or Form A-6 for overpayment of withholding tax for any prior year. (Caution: Amounts listed in Columns 1 and 2 should include only Alabama withholding tax. Do not include delinquent penalty and/or interest charges.)

STEP 3 – Add amounts listed in Step 2 (Column 2). Show total in Block 1.

STEP 4 – Enter in Block 2 the total Alabama income tax withheld as shown on employee wage and tax statements, computer listing, or magnetic media to be transmitted with Form A-3. This total must be supported by (a) an adding machine tape if employee wage and tax statements (federal Form W-2) are submitted or (b) computer totals if a computer listing or magnetic media is submitted. Note: If any portion of the amount shown in Block 2 was reported under any account number other than the one under which this Form A-3 is being filed, list other account number(s) on back of Form A-3 and monthly and/or quarterly amounts reported under each.

STEP 5 – Compare the amounts in Blocks 1 and 2. If the amount in Block 1 is larger, your account is overpaid. Show amount of overpayment in Block 4 and indicate whether you want a refund or will claim credit on a future return. Overpayments of less than \$100.00 will be issued as a credit unless written request for a refund is submitted with Form A-3 and W-2 Forms. If the amount in Block 2 is larger, your account is underpaid. Show amount of underpayment in Block 3 and enclose a check or money order for such amount with Form A-3 when filed. Mail Form A-3 and wage and tax information to: Alabama Department of Revenue, Withholding Tax Section, P.O. Box 327480, Montgomery, AL 36132-7480 (telephone 334-242-1300).

CHANGES IN EXEMPTIONS

You may file a new certificate at any time if the number of your exemptions **INCREASES**.

You must file a new certificate within 10 days if the number of exemptions previously claimed by you **DECREASES** for any of the following reasons:

(a) Your spouse for whom you have been claiming exemption is divorced, legally separated, or claims her or his own exemption on a separate certificate.

(b) The support of a dependent for whom you claimed exemption is taken over by someone else, so that you no longer expect to furnish more than half the support for the year.

OTHER DECREASES in exemption, such as the death of a spouse or dependent, do not affect your withholding until the next year, but require the filing of a new certificate by December 1 of the year in which they occur.

Any correspondence concerning this form should be sent to the Alabama Department of Revenue, Individual and Corporate Tax Division, Withholding Tax Section, P.O. Box 327480, Montgomery, AL 36132-7480 or telephone (334) 242-1300 (fax (334) 242-0112).

EXCLUSION FROM WITHHOLDING TAX

"No tax liability last year" means that your previous year's tax return indicated no tax liability for that taxable year. Therefore, if you had Alabama income tax withheld or paid estimated tax, **all** of this tax must have been refunded to you. If any portion of the tax paid last year was not refunded, you may not qualify for this

exemption from Alabama withholding tax.

DEPENDENTS

To qualify as your dependent (Line 3 on other side), a person must receive more than 1/2 of his or her support from you for the year and must be related to you as follows:

Your son or daughter (including legally adopted children), grandchild, stepson, stepdaughter, son-in-law, or daughter-in-law;

Your father, mother, grandparent, stepfather, stepmother, father-in-law, or mother-in-law;

Your brother, sister, stepbrother, stepsister, half brother, half sister, brother-in-law, or sister-in-law;

Your uncle, aunt, nephew, or niece (but only if related by blood).

PENALTIES

Penalties are imposed for willfully supplying false information or willful failure to supply information which would reduce the withholding exemption.

HEAD OF FAMILY

Employers: If you are computing Alabama withholding tax using the formula method and an employee claims "H" (head of family), the deduction allowed in item "A" of the formula is 20% limited to \$2,000. The deduction allowed in item "C" for employees claiming "H" is \$3,000.

If you are computing tax using the tax tables and an employee claims "H", the "M" column (along with the appropriate number of dependents) should be used.

Instructions

Who may claim the exemption from withholding of income tax?

Full-time students in temporary employment expecting to earn less than \$1,800 during the taxable year and expecting to owe no Alabama withholding tax. In order to establish this exemption, they must file withholding exemption certificate Form A-4E. A full-time student means an individual who during each of five calendar months during the taxable year is enrolled at an educational institution for the number of hours or courses which is considered to be full-time attendance.

When to claim the exemption.

File this certificate with your employer upon reporting for work.

Multiple Employers.

If you are employed by more than one employer, you may claim the exemption from withholding with each employer, provided that the total of your anticipated income will not exceed \$1,800 during the current year.

This exemption certificate will expire on December 31 of the current year.
